## Come before Winter

Another of the men that benefited from your support of Come before Winter was Mitch Anderson. His wife Monika also attended Come before Winter in the past. Mitch and Monika live and work in a church plant in Olomouc, Czech Republic. Mitch is originally from Arkansas and has been in Olomouc since 2006. He is sponsored by the Pleasant Valley Church of Christ in Little Rock. He has a lot of things that he is dealing with this summer. His long time team member is transitioning back to the US leaving Mitch to run things at their church plant until a replacement arrives in the fall. Mean-

while, the church has moved into a new facility which required a lot of work to get it usable. They also have youth camps and other summer activities that have to be coordinated. And if that isn't stressful enough, Monika is pregnant and is due in October. Please be in prayer for Mitch in the following areas:

\*Pray for the smooth transition as his new team members arrive this fall;  
\*That the work on the new facility goes well and it can be used to further the Kingdom in Olomouc;  
\*That the Lord will

bless their efforts in Olomouc;  
\*Finally, that there be no complications during Monika's pregnancy and that their son will be born healthy.

Thank you again for your support for Come before Winter and for the men and women that it blesses.
